Can I withdraw money?	<ul style="list-style-type: none"> You can't make any withdrawals before the end of your fixed term. This includes all the payments made into the account. You can close your account and get a full refund within the first 14 days 'cooling off' period from account application. We will contact you to inform you about the options you have after maturity, 14 days and again 7 days before maturity of your fixed term account. You may choose to either: <ol style="list-style-type: none"> Reinvest your funds into another fixed term account of 1, 2, 3, 4 or 5 years Choose to transfer your funds into an easy access account; or Choose to transfer your funds into a notice account. <p>If you choose option 2 and don't have an easy access account, we will create one for you - you don't need to do anything. If you would like to withdraw your funds to your linked account, you need to choose option 2 to transfer your funds into an easy access account. You can then transfer your funds from your easy access account back into your linked account.</p> The fixed term starts on the date we receive your first deposit. For example, if you made your first deposit into a 1 Year Fixed Term Account on 2 October 2019, the fixed term will start on 2 October 2019 and finish on the 1 October 2020. Your maturity instruction will be carried out on the day after your term has finished. If this day is a weekend or Bank Holiday, your instruction will be carried out on the next working day. A closing statement will be available online at maturity.
Additional information	<ul style="list-style-type: none"> You cannot make withdrawals from this account during the fixed term. If you think you may need access to your money during the term, you should consider our Freedom Savings Account which allows unlimited withdrawals. Interest is paid gross with no tax deducted.
